# 14 in 1 EDUCATIONAL SOLAR ROBOT KIT

## Product Introduction

Alternative energy is the future, so now is the perfect time to start children on the path of learning basic concepts behind these technologies. Fortunately, this product is powered by the sun, there are no batteries required. The robot moves in direct sunlight and allows children to create while using their infinite imagination.

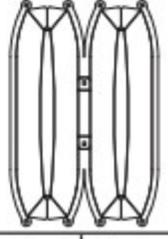

There are two levels in building the robot kit. Level one includes: Turtle-bot, Beetle-bot, Quadru-bot, Boat-bot, Walker-bot, Dog-bot, and Wheel-bot. Then they can challenge their manipulative skills with the second level: Roly Poly-bot, Auto-bot, Slither-bot, Surf-bot, Boxer-bot, Crab-bot and Row-bot.

## Tool You May Need

### Diagonal Cutter

## Mechanical Parts List

<b>P1 Motor With Connectors</b>  Don't connect the wires to the mains. QTY: 1		<b>P2 Solar Panel With Springs</b>  QTY: 1	
<b>P3 Pinion Gear(yellow)</b>  QTY: 1	<b>P4 Gear With Shaft</b>  QTY: 1	<b>P5 Gear(Red)</b>  QTY: 1	<b>P9 boat</b>  QTY: 1
<b>P6 Gear(Green)</b>  QTY: 1	<b>P7 Sponge</b>  QTY: 2	<b>P8 Round Shaft</b>  QTY: 1	

## Introducción

La energía alternativa activará al mundo futuro. Por ello, es el momento ideal para aprender a los niños los conceptos básicos de estas tecnologías. Afortunadamente este producto funciona con energía solar (sin pilas). El robot se mueve en caso de luz solar directa y permite a los niños realizar nuevas cosas utilizando la imaginación. Hay dos grados de dificultad. Nivel 1 incluye: Turtle-bot, Beetle-bot, Quadru-bot, Boat-bot, Walker-bot, Dog-bot y Wheel-bot. El segundo nivel incluye: Roly Poly-bot, Auto-bot, Slither-bot, Surf-bot, Boxer-bot, Crab-bot y Row-bot.

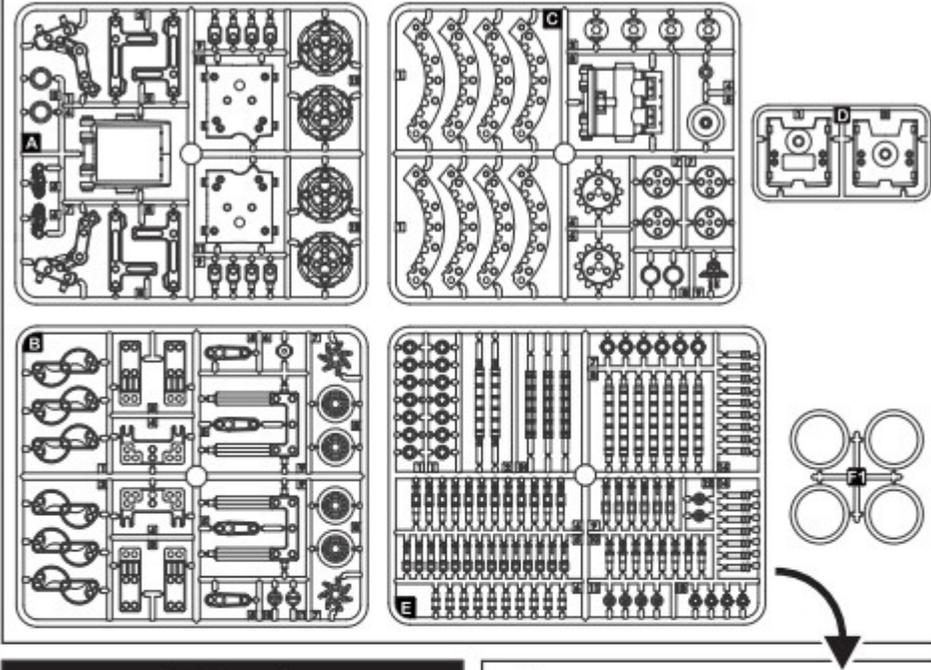

## Herramientas necesarias

Alicates de corte en diagonal

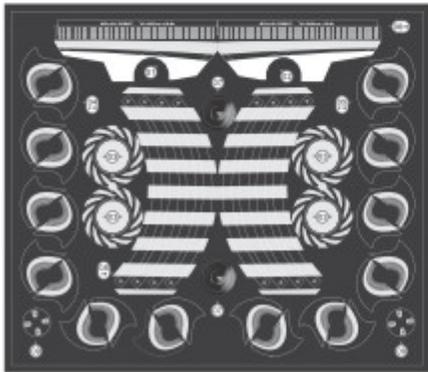

## Lista de componentes mecánicos

Motor con conectores	Panel solar con muelles	
Piñón (Color amarillo)	Rueda dentada con eje	Rueda dentada (Color rojo)
Rueda dentada (Color verde)	Esponja	Eje redondo

## Plastic Parts

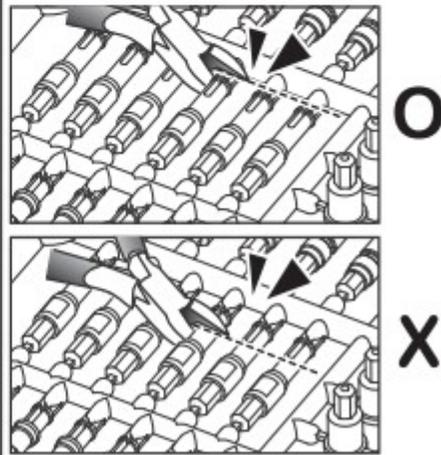

## Sticker A

QTY

1

 Make sure to cut the plastic parts **E** correctly.

## Piezas de plástico

## Pegatina A

Asegúrese de cortar las piezas de plástico correctamente.

Sticker B			Zipper bag	
	QTY			QTY
	1			9

Pegatina B

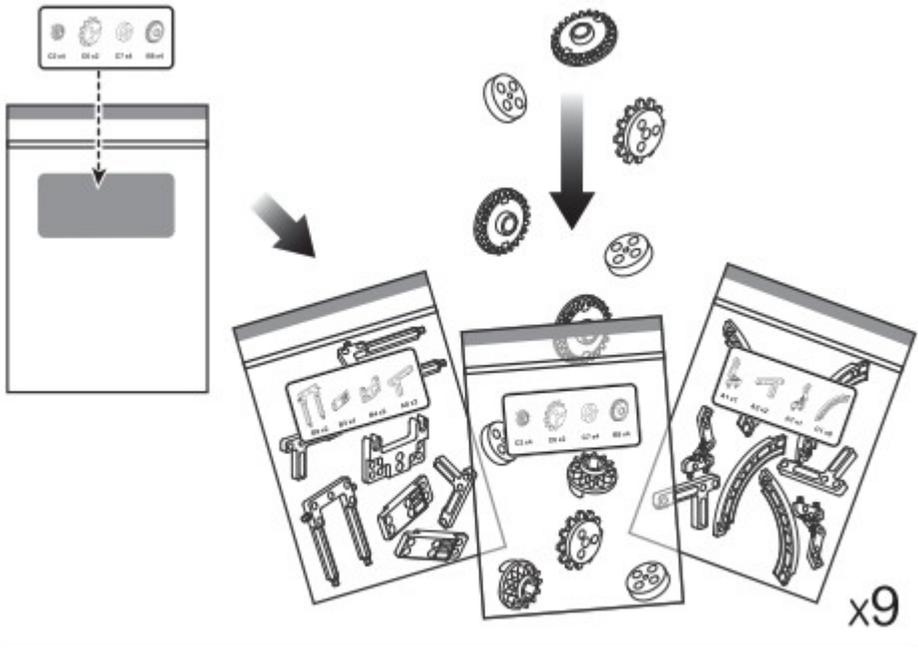

Bolsa con cremallera

**Tip**

For easy identification of each plastic part, suggest to sort out plastic parts and put them into zipper bags as per instruction.

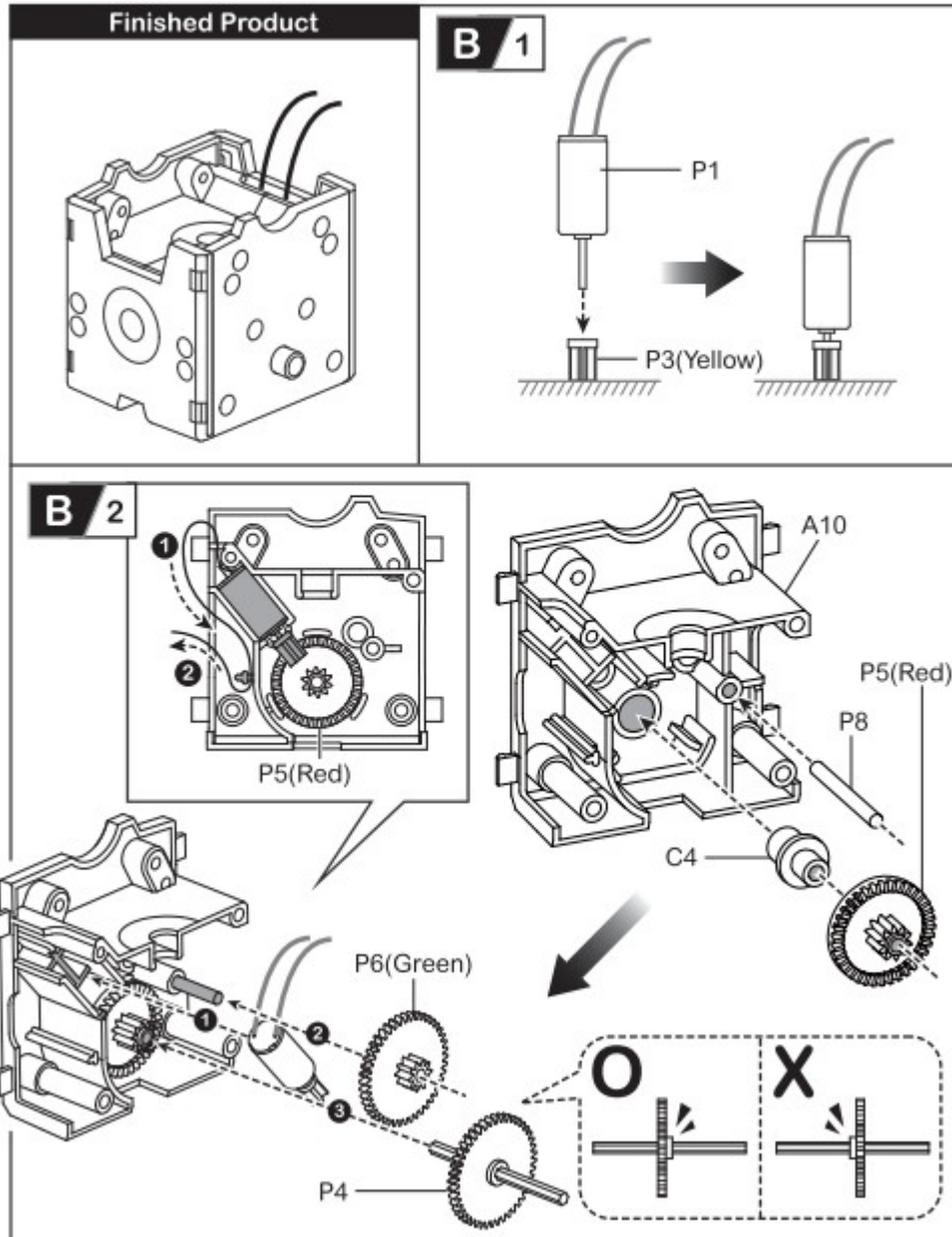

( P.S. Each zipper bag to be placed an illustrated sticker B (as below) first.)

Para una fácil identificación de cada pieza de plástico, ordene las piezas de plástico y póngalas en bolsas con cremallera para cada montaje.

Consejo: Ponga una pegatina B en la bolsa (véase fig.).

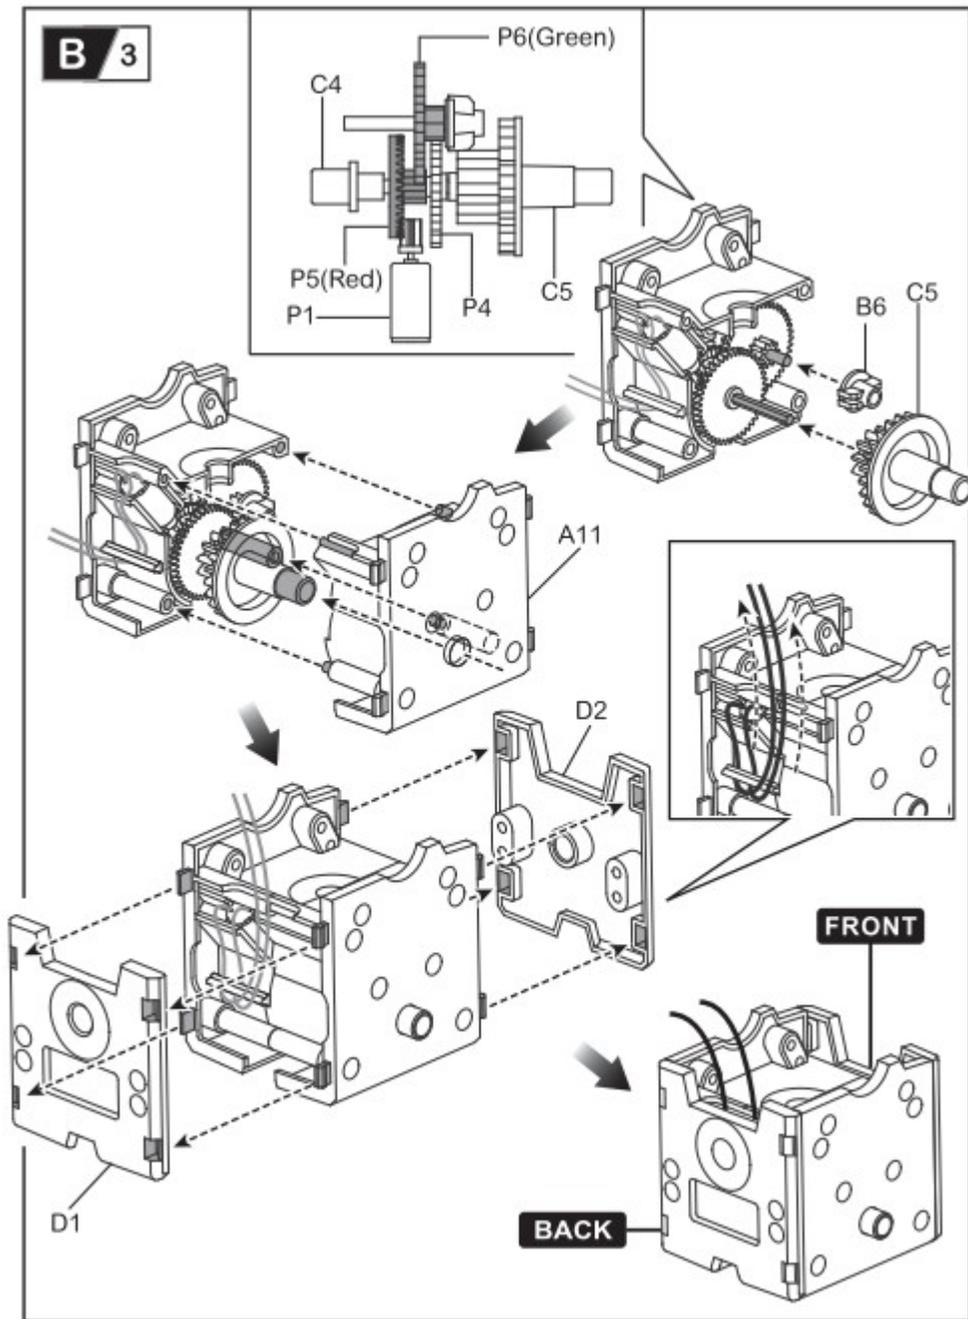

## Body Module Assembly

## Montar el cuerpo

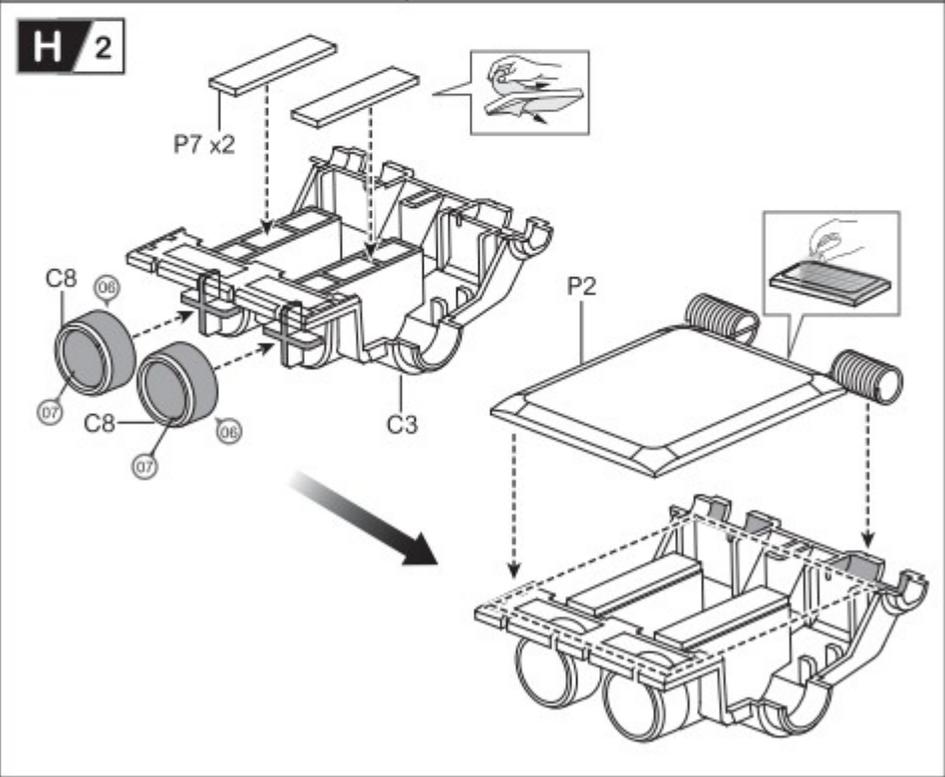

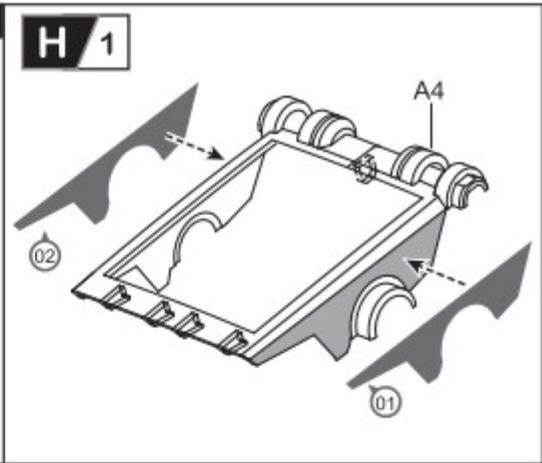

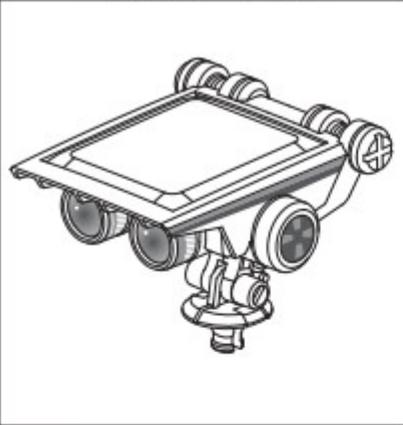

Producto terminado

**B 3**

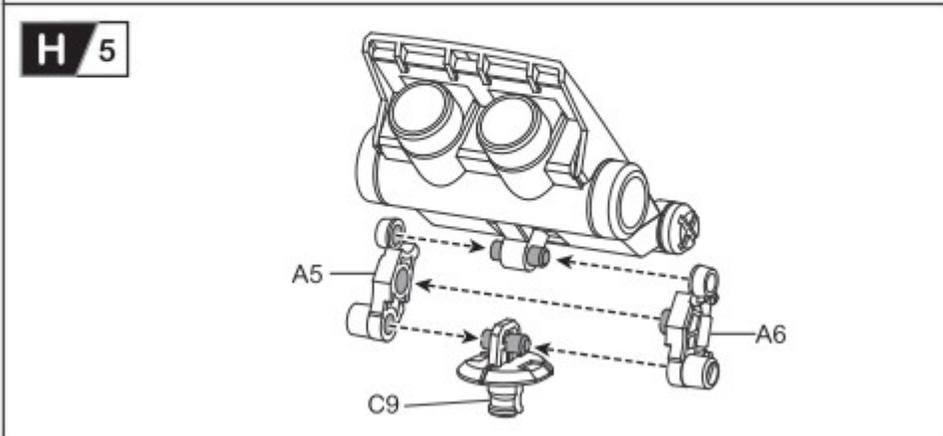

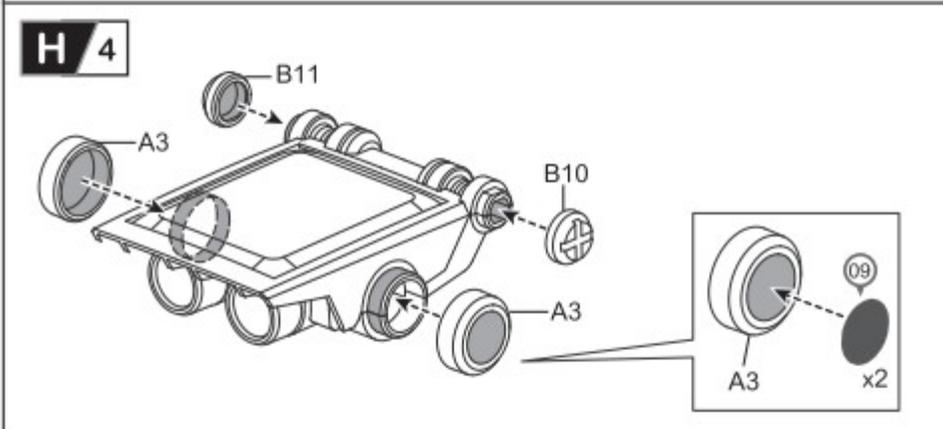

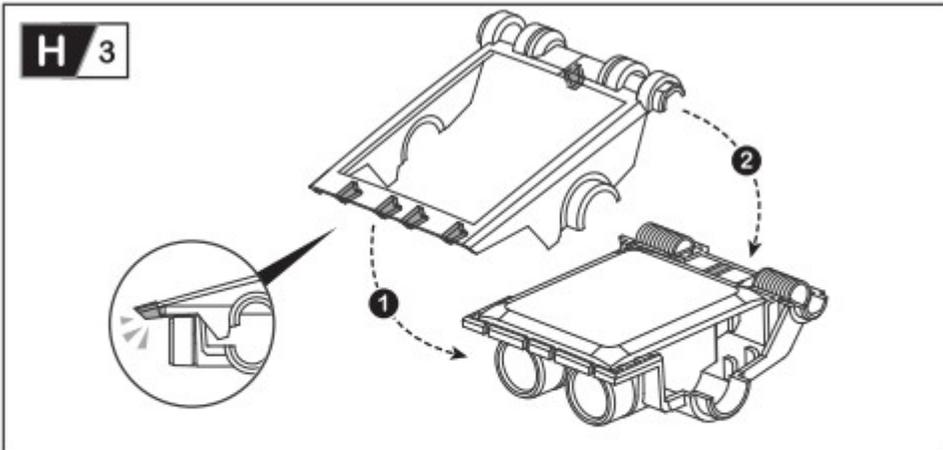

## Head Module Assembly

Finished Product

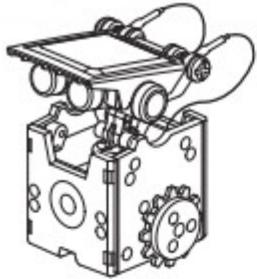

## Montar el cabezal

Producto terminado

## Testing : You need to test the gear box first.

Prepare the below parts first before you test the "Gear box" and "Solar panel".

Body  
(Gear Box)

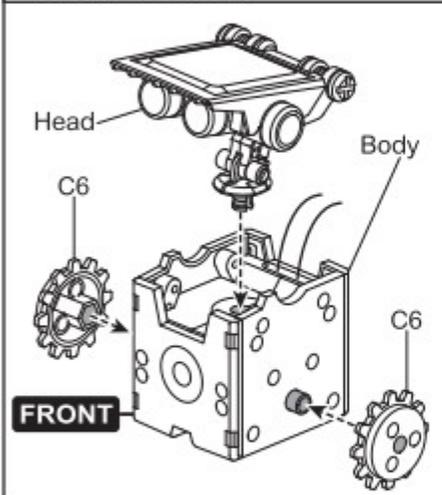

Head  
(Solar Panel)

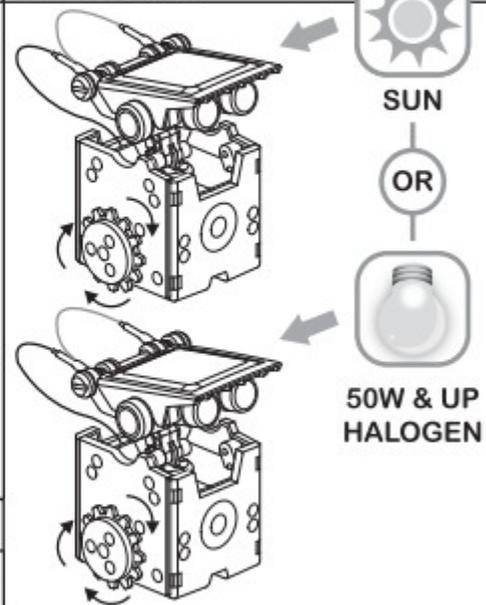

C6 x2

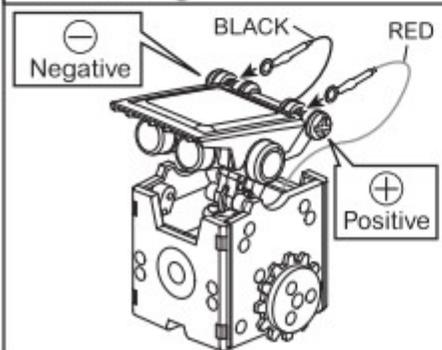

### 01 Assembly

### 03 Testing

### 02 Wiring

### 04 Trouble shooting

If C6 does not work,  
Please disassemble the gear box,  
and back to the page 4.

## Realizar una prueba : Primero, compruebe la caja de cambios.

Primero, monte las siguientes piezas antes de comprobar la "Caja de cambios" y la "Panel solar".

Montaje

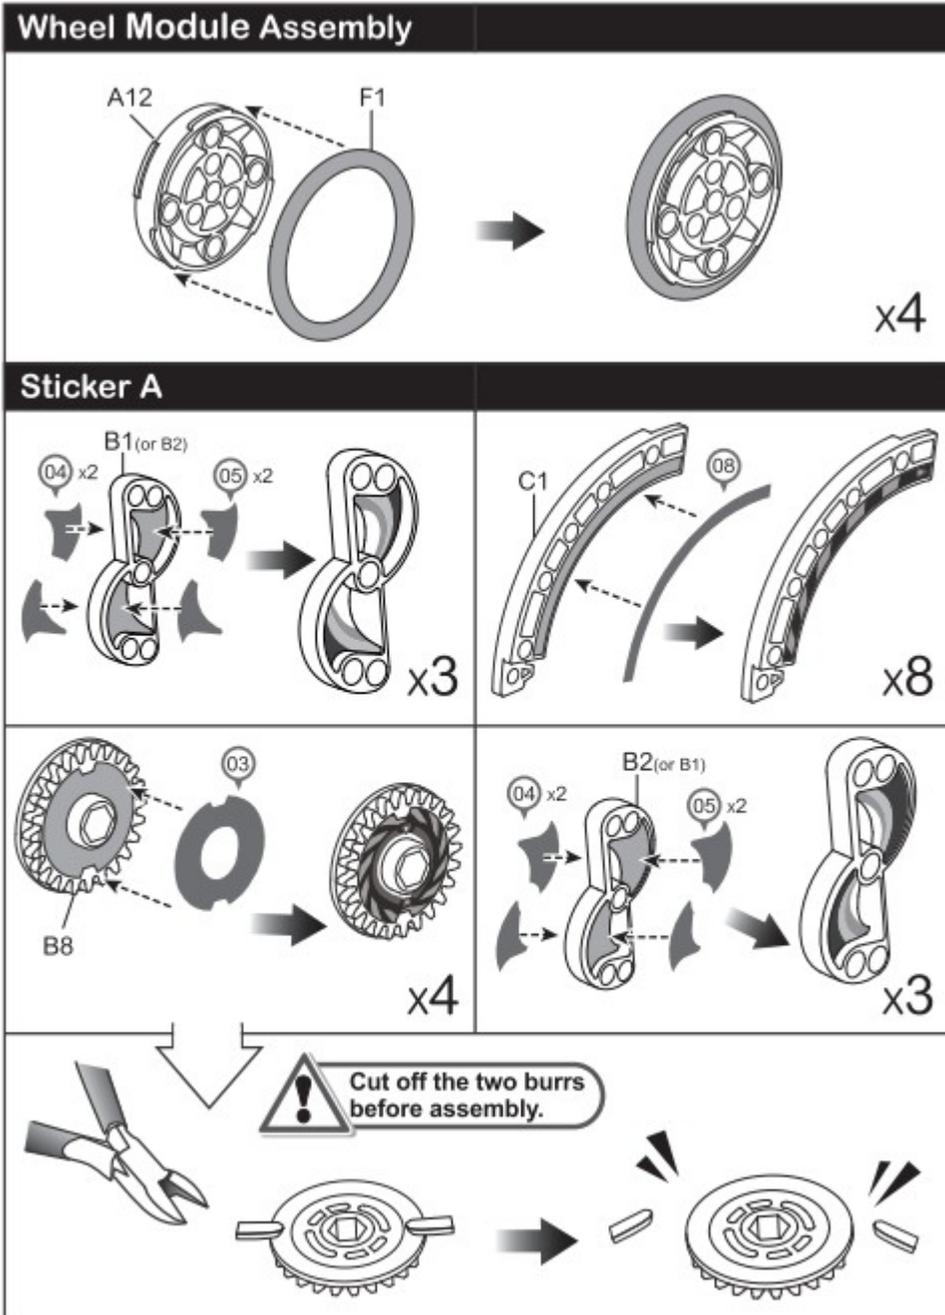

Comprobar la  
manguera  
luminosa

Cableado

¡Asegúrese de que C6 está girando!

Solución de  
problemas

Página

**Montar la rueda**

**Pegatina A**

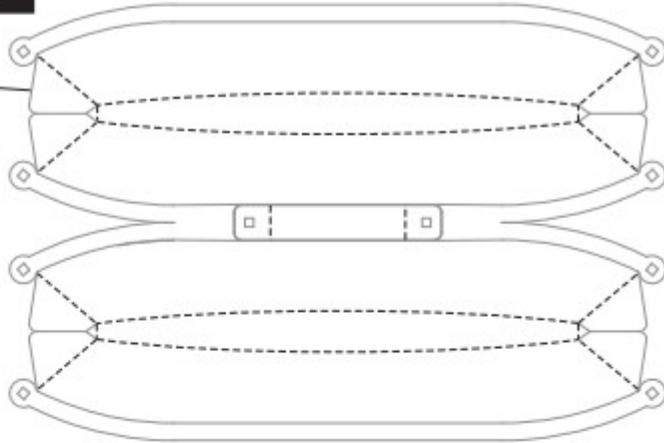

Corte las dos rebabas antes del montaje.

## Boat Module Assembly

**It's time to have some FUN !**

1. Take outside under direct sunlight. Best results are obtained when operated on a sunny day.
2. For indoor fun, use a 50 watt halogen light. The product will not run on a cloudy day, shaded locations, indirect sunlight, or under a Fluorescent light.

**¡Es hora de divertirse un poco!**

1. Váyase fuera en la luz solar directa. Obtendrá los mejores resultados durante un día soleado.
2. Para el uso en interiores, utilice una bombilla halógena de 50 W. El robot no funcionará en caso de muchas nubes, a la sombra, en luz solar indirecta o luz fluorescente.
